Audit Committee Report:

- Spreadsheets need to be updated in the computer and then audit should be complete.
- Audit committee overseeing election.

Entity/Committee Reports:

- **Archery:** Family Day was a success, around 70 people in attendance this past Saturday. Is a great thing for our range and the community.
- **Bullseye Pistol:** 1st pistol match will be on April 29th, and it will be a 3-gun 1800 aggregate.
- **Black Powder:** None.
- **Cowboy Action:** None.
- **Hunters Education:** 2 classes have been held since we reopen. There's some challenges with the screens used to teach classes. Ultimately will go to electronic/virtual system. We are going Digital.
- **Highpower Rifle:** We had a 60 shot 600yd prone match on March 18th with 17 Shooters and the match winner was Kerry Spurgin with a score of 599-29x. On March 19th we had an 80 shot RMC with 14 shooters and the match winner was Bruz Marzolf with a score of 779-23x. Our next matches are an 80shot RMC on April 15th, the Alex Parv 80 shot offhand on April 16th and the Vedvick memorial on April 23rd.
- **Juniors:** Introduction of smallbore coach Nick Smith and Highpower coach Michael Storer. Highpower practice is Thursdays from 5-7pm at the outdoor range and smallbore is on Fridays from 5-7pm at the indoor range. Both coaches thank the club for all the state of the art equipment and communicated how excited they are about the development of both junior teams. New rifle junior program is on the planning stages.
- **Mini 3 Gun** – No report.
- **Practical Pistol:** We had 18 shooters, most were returning shooters, we used 3 bays. We shoot again this coming Sunday.

- **Public Use:** We are all covered for April and May is mostly covered but the last public shoot.
- **Shotgun:** March 11th we had 12 shooters, 2 guests and 1 comped as a new shooter. Next shoot will be April 8th.
- **Silhouette:** We had our first official match last month and what a way to start with the current 2-gun national champion in attendance. He won the match and brought with him another stablished shooter with him and said that they'll promote the CSF matches. Lots of fun so we encourage everyone to come and join us at the next shoot on April 16th.
- **Smallbore rifle:** Ken has asked Nick Smith to take over smallbore from Steven Winter. The plan is to start a smallbore league and conduct matches. It sounds like other leagues want us to come out and play with them. We just have a couple of months of organization and then we can start. We have records at the range from the 90's on how active we were back then so we want to get back to it.
- **Training:** Training has been inactive for a while. Steven Winter is going to get some more training and will become the new training coordinator.
- **Ladies:** We had a great time with our "Shenanigans" during the month of March, we had 14 ladies come out and participate. Our next shoot will be on April 15th and it will be "Hanging with our peeps".
- **Law Enforcement Liaison:** We have the final draft of our Operating Procedures; we are waiting for our chairman to give it his final blessing before presenting it to the board. We are working together with law enforcement agencies to be transparent on how they can use the range. At the same time separating what Law Enforcement is allowed to do at the range in comparison to civilians. All of this is very important to keep everyone safe at the range.

Unfinished Business

Phil Glover from Valley Swat sniper team leader.

- Request for use of the Range house and B Range on July 10th – July 14th, 2023.
